

APRIL IS ‘MAILBOX MADNESS’ MONTH!

IS YOUR MAILBOX LEANING, crooked, faded, rusted, busted or decorated by our local, berry-eating birds? Does it need to be cleaned and painted? Is the door missing or hanging? Have you stepped back and looked at the condition of your mailbox lately?

It's time.

April is ‘Mailbox Madness’ month in Wyndcliff. We’re looking to get all mailboxes spruced up, repaired, straightened and looking clean, neat and orderly like they did after the original, neighborhood-wide installation.

Your mailbox is a key component of the “gateway experience” your home delivers (as is your yard and your front door) when visitors arrive. As Mark Twain wrote, *“You never get a second chance to make a first impression.”* (And rumor has it Mark Twain’s mailbox looked sharp!) Make sure your mailbox is a point of pride in your home’s appearance.

Cleaning and painting are simple tasks and take just minutes to complete. If you need to repair, replace or reset your mailbox, our vendor is:
